Palestine Red Crescent Society: Response Report
As of Saturday, October 7th 2023, 6:00 PM
Until Friday, November 17th 2023, 24:00 AM

Palestine Red Crescent Society teams are still responding to the developments on the ground in both Gaza Strip and the West Bank, where the operations are carried out 24/7, For the 41th day in a row.

The following information in this report is the maximum which our teams were able to collect from direct follow-ups and different sources due to the complete loss of telecommunications and the great difficulty in reaching the sources of information. Today at 22:10 PM the telecommunication with Gaza operations room is connecting back during this time and the data were collected and updated.

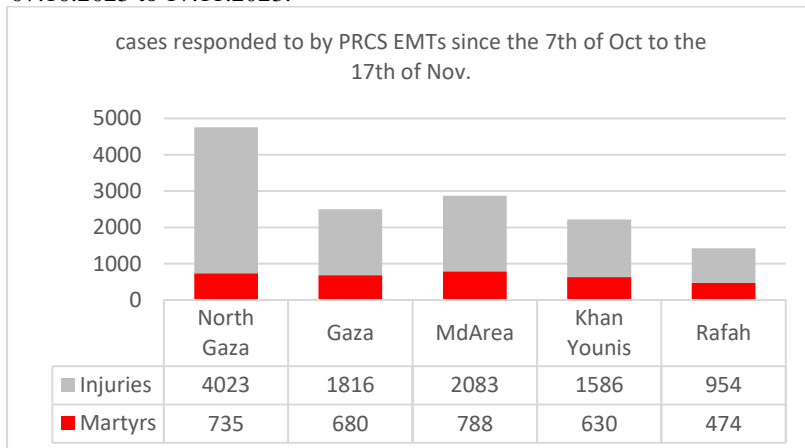

Latest Updates:

Gaza Strip:

- For the 5th day in a row, the telecommunications cut off with the PRCS operations room in Gaza due to the lack of electricity and the fuel runs out from all generators.
- Al- Amal hospital, and PRCS headquarters in Khan Yunis, with no electricity or water in the last five days.
- Despite the power outage at PRCS's Al-Amal Hospital, our crews continue to provide medical services there, even if resorting to traditional medicine is necessitated.
- 16 ambulance from 22 PRCS ambulances vehicles are still operating to responds in Gaza Strip, due to the fuel depletion.
- The PRCS emergency line "101" has stopped for 36 hours due to the telecommunications cut off in Gaza Strip.
- The PRCS emergency medical teams remain besieged at Al-Ahli Baptist hospital and the Israeli tanks are stationed in the hospital's vicinity, amidst heavy gunfire by Israeli soldiers.
- Recently, the total number of internally displaced persons (IDPs) is 12,000 at Al Amal hospital and PRCS headquarter in Khan Yunis which located in the south of Gaza Strip.
- Today dawn, occupation forces detain and search into three ambulances crews at Ibn Sina hospital, impeding their ability to aid the injured and transport patients in Jenin Governorate.
