### PRCS Report Update

From Saturday, October 7, 2023, at 06:00 AM

Until Friday, October 27<sup>th</sup>, 2023, at 24:00 AM

According to PRCS's president announcement, PRCS declared a state of emergency at the highest level in both Gaza Strip and the West Bank where the national society operates to fullest humanitarian and resource capacity for the 21<sup>th</sup> day on the row.

#### Latest Update

##### **Gaza Strip:**

**Complete disconnection with the PRCS's administrations, hospitals, and emergency centers in the Gaza Strip.**

- Complete disconnection with the operations room in Gaza, and the response teams, after the occupying forces cut off all landline, cellular, and internet communication networks entirely at 18:15.
- We are concerned for the safety of our response teams in the Gaza Strip amid the ongoing, intense Israeli bombardment around the clock.
- The disconnection within the Gaza Strip means the inability to communicate with ambulance services and hospitals by the citizens in the Gaza Strip, including emergency medical services, patient transportation, childbirth, and other urgent cases.
- Over two million civilian in the Gaza Strip are directly endangered due to the intense and indiscriminate bombardment affecting all areas of the Gaza Strip.

#### Escalation statistics:
